

Application No.: 09/696,801

Docket No.: 524412000200

REMARKS

As stated above, all reference to specific nucleotide or amino acid sequences has been deleted. These sequences are irrelevant to the claimed invention and thus their deletion does not constitute new matter. As there are no specific amino acid sequences or nucleotide sequences disclosed, no submission in compliance with 37 C.F.R. §§ 1.821, *et seq.*, is required.

This submission is in accordance with a telephone message exchange with Examiner Clow on 18 February 2005.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket No. 524412000200.

Respectfully submitted,
